Moodle

St. Bonaventure University's web-based learning management system is used by many of our instructors to provide syllabi, course materials, grades, and other course related documents and activities to you in a secure online environment. The new drag and drop feature makes it easier to upload assignments.

Go to my.sbu.edu and find Moodle under the academics tab!

Printing Policy

Each student is given 500 sheets of printing paper each semester. When you print to one of our computer labs, your pages automatically get deducted. Unused paper will roll over from the fall semester to spring semester. If you ever need to add anymore printing pages to your account you can do so at my.sbu.edu.

****Print from your personal computer on campus! This service is available on my.sbu.edu under the “Student Services” and then “Student Printing” section.**
